Depending on your mobile phone contract, you may incur additional costs for accessing the Internet.

THE BMW 4 SERIES GRAN COUPÉ. A NEW ERA OF AESTHETICS.

PRESENTING.

- 04 BMW 440i M SPORT:**
BMW TwinPower Turbo six-cylinder in-line petrol engine, 326hp (240kW), 19" M light alloy Double-spoke style 442 M wheels, Carbon Black metallic paintwork, Sport seats upholstered in Ivory White Dakota leather, Brushed Aluminium interior trim with High-gloss Black finisher.

INNOVATIONS AND TECHNOLOGY.

- 18 BMW TWIN POWER TURBO ENGINES:**
At the heart of BMW EfficientDynamics.
- 20 BMW EFFICIENT DYNAMICS:**
Making light work of lower fuel consumption.
- 22 BMW CONNECTED DRIVE:**
In touch with your world
- 24 SUSPENSION:**
Innovative systems for more driving pleasure.
- 26 SAFETY:**
Technology at the highest level.

INDIVIDUALITY AND ADAPTABILITY.

- 30 EQUIPMENT:** SE, Sport, Luxury and M Sport models, BMW Individual, Equipment Highlights, Wheels and Tyres and Genuine BMW Accessories.
- 44 COLOURS:** Exterior, interior and upholstery options.
- 48 BMW SERVICE:** BMW Service, BMW Financial Services and BMW Experience.

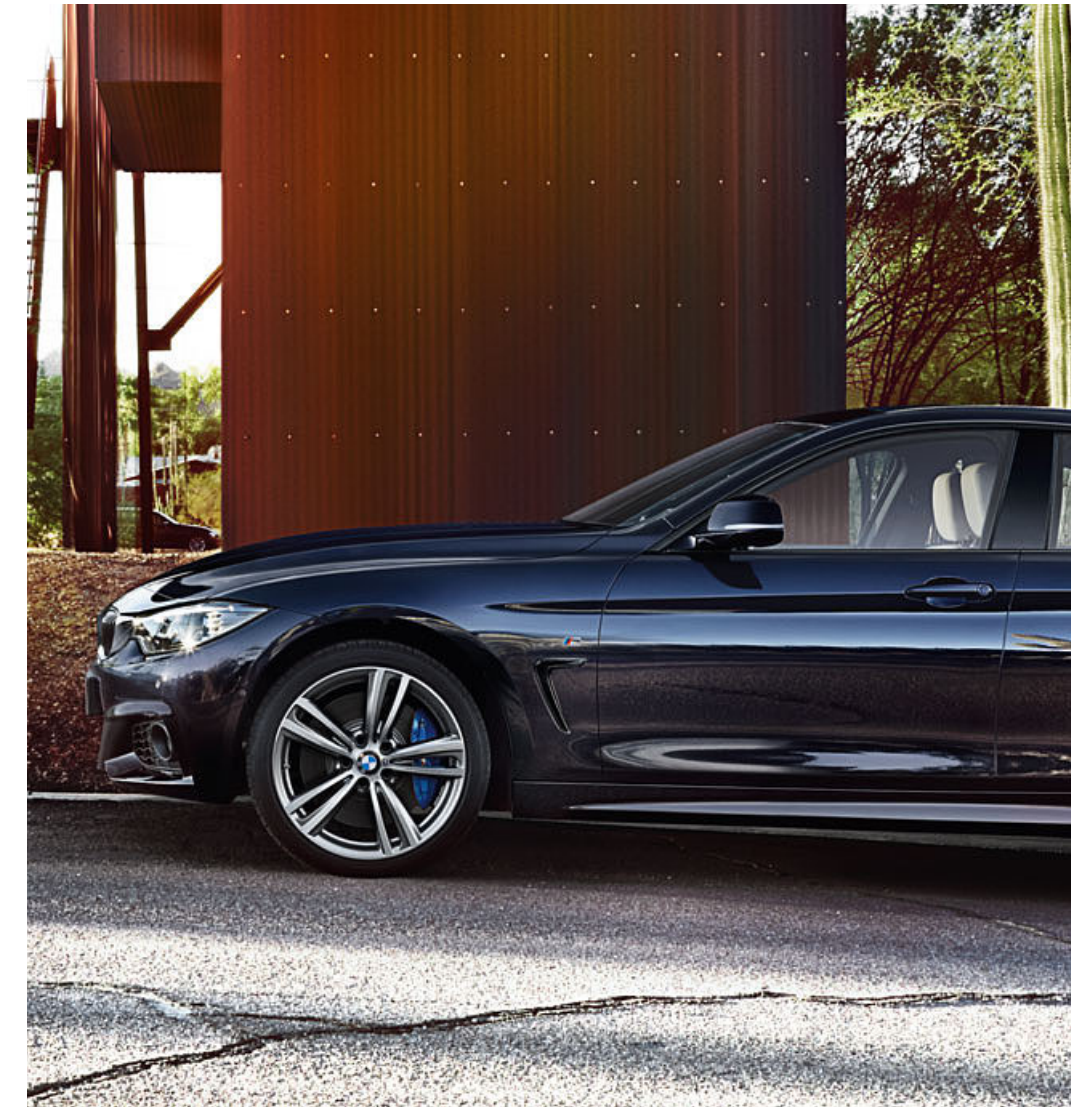

THE CENTRE OF ATTENTION.

The BMW 4 Series Gran Coupé combines exceptional charisma and elegance with absolute everyday usability. As a four-door coupé, it is a dynamic marriage of opposites – with a beautiful design that captivates the eye again and again. Discover a new era of aesthetics. Discover the BMW 4 Series Gran Coupé.

**BUILT FOR
ADMIRING GLANCES.**

The broad, muscular rear communicates clear sporting intent. The flowing coupé silhouette of the BMW 4 Series Gran Coupé immediately makes it stand out from the crowd. Every time you look at it the impression is the same: this is a car that looks good from any angle.

ONCE YOU'VE
GOT IN
YOU WON'T WANT
TO GET OUT.

Everything in the interior of the BMW 4 Series Gran Coupé is adapted to suit your needs. The controls are ergonomically oriented towards the driver. Every surface delights the eye and touch. The flowing interior trim finishers extend from the instrument panel to the doors and all the way to the rear cabin, while the frameless doors make the interior appear even bigger and more distinguished. With rear seats that accommodate up to three people, it's an enjoyment that can be shared.

STUNNING LOOKS.
GREAT PRACTICALITY.

Looks great, is practical in everyday use and impresses you afresh every day – for instance with its large single-piece tailgate, which comes with automatic opening and closing as standard.

EYE-
CATCHING.

This vehicle has everything. Its dynamic lines, clever functionality and fascinating driving performance create an attraction that no one can escape. One glance is all it takes.

INNOVATIONS AND TECHNOLOGY.

BMW TWIN POWER TURBO ENGINES: At the heart of BMW EfficientDynamics.

BMW EFFICIENT DYNAMICS: Making light work of lower fuel consumption.

BMW CONNECTED DRIVE: In touch with your world.

SUSPENSION: Innovative systems for more driving pleasure.

SAFETY: Technology at the highest level.

BMW TwinPower Turbo engines.

At the heart of BMW EfficientDynamics.

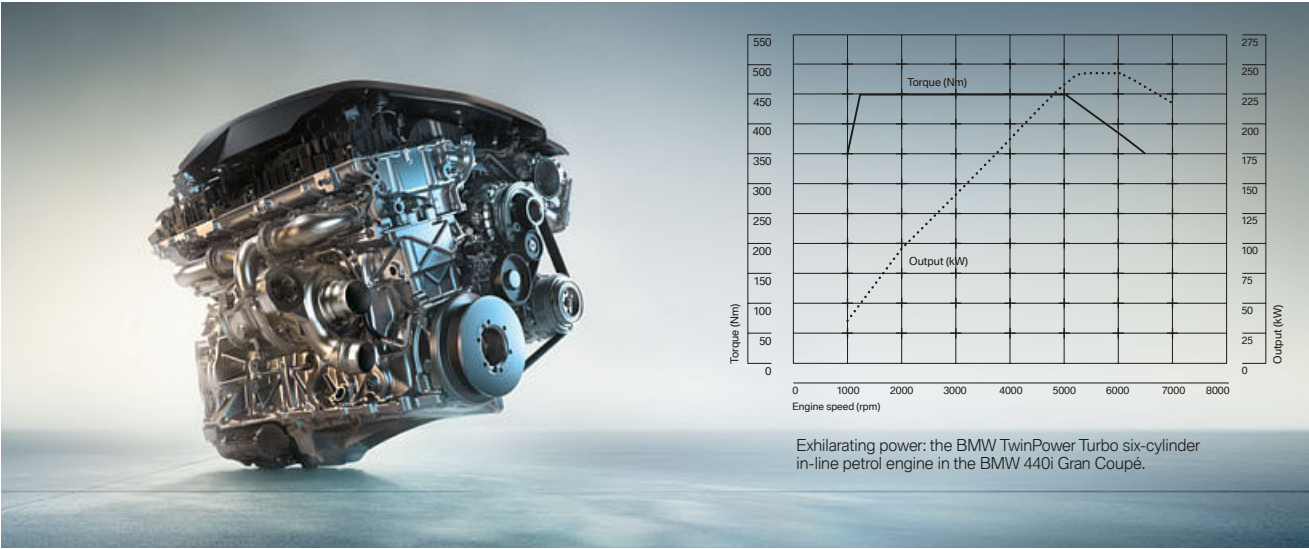

Experience a new dimension of driving pleasure and efficiency with innovative BMW engines featuring TwinPower Turbo technology. This innovation package – a milestone of the BMW EfficientDynamics strategy – combines advanced injection systems and fully variable output control with innovative turbocharger technology for maximum dynamism and efficiency. The result: sheer driving pleasure.

BMW TWIN POWER TURBO SIX-CYLINDER IN-LINE DIESEL ENGINE 430d.

The highlight of the BMW 4 Series Gran Coupé is the **multi-award-winning BMW 430d**. It’s considered the global benchmark for dynamic power delivery and impressive efficiency and its proven technology concept is used in nearly all BMW diesel engines. These new-generation engines ensure maximum driving pleasure while consuming less fuel and generating fewer emissions than their predecessors. Together with the eight-speed **Sport automatic transmission with Steptronic**, they enable everything from comfortable cruising to very dynamic driving.

 **BMW EFFICIENTDYNAMICS.**
LESS EMISSIONS. MORE DRIVING PLEASURE. 

BMW 435d xDrive.

- BMW TwinPower Turbo six-cylinder in-line diesel engine with 313hp (230kW) and 630Nm of torque
- 0–62mph: 4.8 seconds
- Top speed: 155mph (250km/h)
- Combined fuel consumption: 49.6mpg (5.7l/100km)
- CO₂ emissions: 150g/km

BMW 440i.

- BMW TwinPower Turbo six-cylinder in-line petrol engine with 326hp (240kW) and 450Nm of torque
- 0–62mph: 5.1seconds
- Top speed: 155mph (250km/h)
- Combined fuel consumption: 41.5mpg (6.8l/100km)
- CO₂ emissions: 159g/km

BMW 430d/430d xDrive.

- BMW TwinPower Turbo six-cylinder in-line diesel engine with 258hp (190kW) and 560Nm of torque
- 0–62mph: 5.6 seconds / 430d xDrive: 5.3 seconds
- Top speed: 155mph (250km/h)
- Combined fuel consumption: 53.3 (5.3l/100km) / 430d xDrive: 51.4mpg (5.5l/100km)
- CO₂ emissions: 139g/km / 430d xDrive: 145g/km

BMW 430i.

- BMW TwinPower Turbo four-cylinder in-line petrol engine with 252hp (185kW) and 350Nm of torque
- 0–62mph: 5.9 seconds
- Top speed: 155mph (250km/h)
- Combined fuel consumption: 43.5mpg (6.5l/100km) / Automatic: 48.7mpg (5.8l/100km)
- CO₂ emissions: 151g/km / Automatic: 136g/km

BMW 420d/420d xDrive.

- BMW TwinPower Turbo four-cylinder in-line diesel engine with 190hp (140kW) and 400Nm of torque
- 0–62mph: 7.5 seconds / Automatic: 7.3 seconds / 420d xDrive: 7.6 seconds / Automatic: 7.4 seconds
- Top speed: 149mph (240km/h) / Automatic: 144mph (231km/h) / 420d xDrive: 146mph (235km/h) / Automatic: 143mph (230km/h)
- Combined fuel consumption: 62.8–67.3mpg (4.2–4.5l/100km) / Automatic: 65.7–70.6mpg (4.0–4.3l/100km) / 420d xDrive: 57.6–61.4mpg (4.6–4.9l/100km) / Automatic: 58.9–62.8mpg (4.5–4.8l/100km)
- CO₂ emissions: 111–119g/km / Automatic: 106–114g/km / 420d xDrive: 121–129g/km / Automatic: 118–126g/km

BMW 420i/420i xDrive.

- BMW TwinPower Turbo four-cylinder in-line petrol engine with 184hp (135kW) and 290Nm of torque
- 0–62mph: 7.5 seconds / Automatic: 7.7 seconds / 420i xDrive: 7.8 seconds / Automatic: 8.1 seconds
- Top speed: 147mph (236km/h) / 420i xDrive: 145mph (233km/h) / Automatic: 144mph (231km/h)
- Combined fuel consumption: 46.3–48.7mpg (5.8–6.1l/100km) / Automatic: 48.7–51.4mpg (5.5–5.8l/100km) / 420i xDrive: 40.9–42.8mpg (6.6–6.9l/100km) / Automatic: 45.6–47.9mpg (5.9–6.2l/100km)
- CO₂ emissions: 134–141g/km / Automatic: 127–134g/km / 420i xDrive: 154–161g/km / Automatic: 137–144g/km

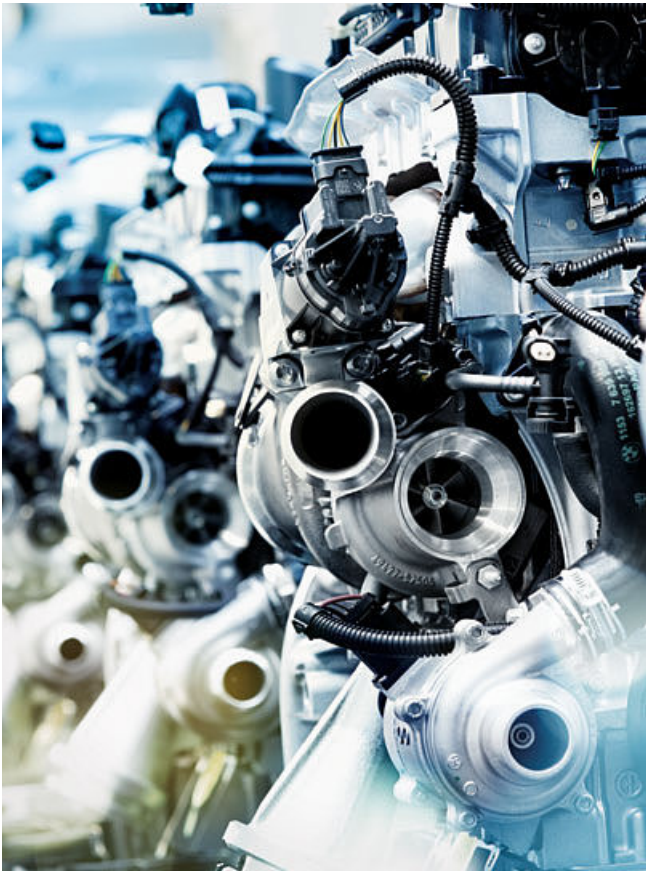

BMW 418d.

- BMW TwinPower Turbo four-cylinder in-line diesel engine with 150hp (110kW) and 320Nm of torque
- 0–62mph: 9.0 seconds / Automatic: 8.9 seconds
- Top speed: 132mph (213km/h)
- Combined fuel consumption: 62.8–65.7mpg (4.3–4.5l/100km) / Automatic: 64.2–65.7mpg (4.3–4.4l/100km)
- CO₂ emissions: 112–118g/km

BMW EfficientDynamics

Making light work of lower fuel consumption.

BMW EfficientDynamics is the BMW Group strategy that comprises all measures aimed at improving efficiency while simultaneously enhancing dynamics in every BMW vehicle. Since 1995, it has led to a 30% reduction in CO₂ output across the European new-vehicle fleet, a figure that will fall by a further 25% by the summer of 2020.

OUTSTANDING AERODYNAMICS.

Every BMW boasts excellent air resistance figures, thanks to a range of aerodynamic elements that complement each other perfectly. This in turn has a positive effect on efficiency and fuel consumption. These elements include a flat undercarriage cover and aerodynamically optimised exterior mirrors.

ENGINES.

The BMW TwinPower Turbo technology concept is used in all BMW **petrol engines**. Innovative turbocharger technology combined with High-precision direct injection and fully variable VALVETRONIC valve control system, including Double-VANOS, all improve performance, provide exceptional responsiveness even at low engine speeds and help to reduce fuel consumption.

The BMW TwinPower Turbo technology in the **diesel engines** combines the latest fuel injection technologies and variable vane geometry with innovative turbocharger technology for enhanced efficiency and a more dynamic performance. All engines feature a lightweight aluminium design and come with a maintenance-free particle filter.

CONCEPT.

BMW has been utilising intelligent lightweight construction since the 1930s. Exceptionally lightweight materials are used for individual, carefully selected parts of the car body. They include aluminium in the front and the chassis, high-strength steel in the body as well as ultra-modern plastics and magnesium. This intelligent lightweight construction reduces the weight of the components and creates exceptional body rigidity for enhanced passive safety for the driver and passengers. In addition to increased safety standards, this also contributes to lower fuel consumption and higher performance, improving driving dynamics thanks to balanced weight distribution between the front and rear axles.

ENERGY MANAGEMENT.

ECO PRO mode. This mode enables fuel consumption to be reduced by up to 20% depending on your individual driving style. For example, ECO PRO will advise the driver to accelerate less aggressively, the optional eight-speed automatic transmission shifts even faster to higher gears and the automatic air conditioning is subject to energy optimised settings.

Auto Start-Stop. Automatically switches off the engine when the vehicle is stationary. As soon as you engage the clutch (manual) or take your foot off the brake (automatic), the engine immediately starts up again and your journey continues. And without any effort on your part, you've saved fuel and helped protect the environment.

Brake Energy Regeneration. Now when you brake, you won't just be slowing yourself down, you'll be helping to keep your car moving. It sounds counter-intuitive, but whenever you apply the brakes or take your foot off the accelerator, you recycle energy instead of wasting it. Brake Energy Regeneration then uses this energy to recharge the battery. In the process, it reduces the demand on your engine and means you consume less fuel and keep down your CO₂ emissions.

BMW ConnectedDrive

In touch with your world.

Our world is becoming more connected every day with instant access to information at anytime and anyplace. With your BMW being an integral part of your lifestyle we believe it's important that you can keep up to date from behind the wheel. BMW ConnectedDrive delivers intelligent solutions that allow you to remain connected whilst on the move.

Advanced driver assistance systems can connect you to the outside world so that you know exactly what is happening around you, premium traffic solutions ensure you are taking the most time efficient route whilst online services provide direct access to information about your current location or chosen destination. Today, driving enjoyment is derived as much from being informed and relaxed as it is from impressive performance and efficiency – discover how the comprehensive range of ConnectedDrive technologies can enhance the connected capabilities of your Ultimate Driving Machine.

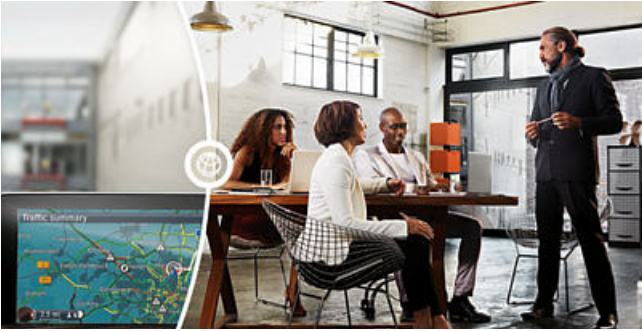

For more information please visit:

➔ www.bmw.co.uk/connecteddrive
➔ www.bmw.ie/connecteddrive

Wherever your journey may lead, you can stay in touch with **BMW ConnectedDrive Services**. The range of innovative functions provide optimum integration between the driver, vehicle and the world outside - anytime, anywhere. The comprehensive range of advanced driver assistance systems seamlessly integrate the driver into their immediate environment. Headlights, sensors, cameras and radars can combine to ensure the driver is fully informed about what is happening around them, delivering superior comfort and convenience as well as enhanced safety for both passengers and other road users.

Head-up Display. The optional full colour Head-up Display projects important driving information directly into the driver's field of vision. The information displayed can be customised in the vehicle settings and includes the current speed of travel, navigation instructions or telephone and music listings. This convenient display ensures that your eyes are always on the road ahead for a safer driving experience.

Real Time Traffic Information (RTTI). Optional Real Time Traffic Information provides a precise account of current traffic situations in real time. The information is presented on the Navigation map by using a colour coding system indicating the flow of traffic. Road networks are divided into distances as short as 500m for superior accuracy and dependency. Information is automatically updated every 3 minutes allowing the driver to monitor whether the traffic situation is improving or worsening. The system also recommends for or against alternative routes based on the potential time saving benefits.

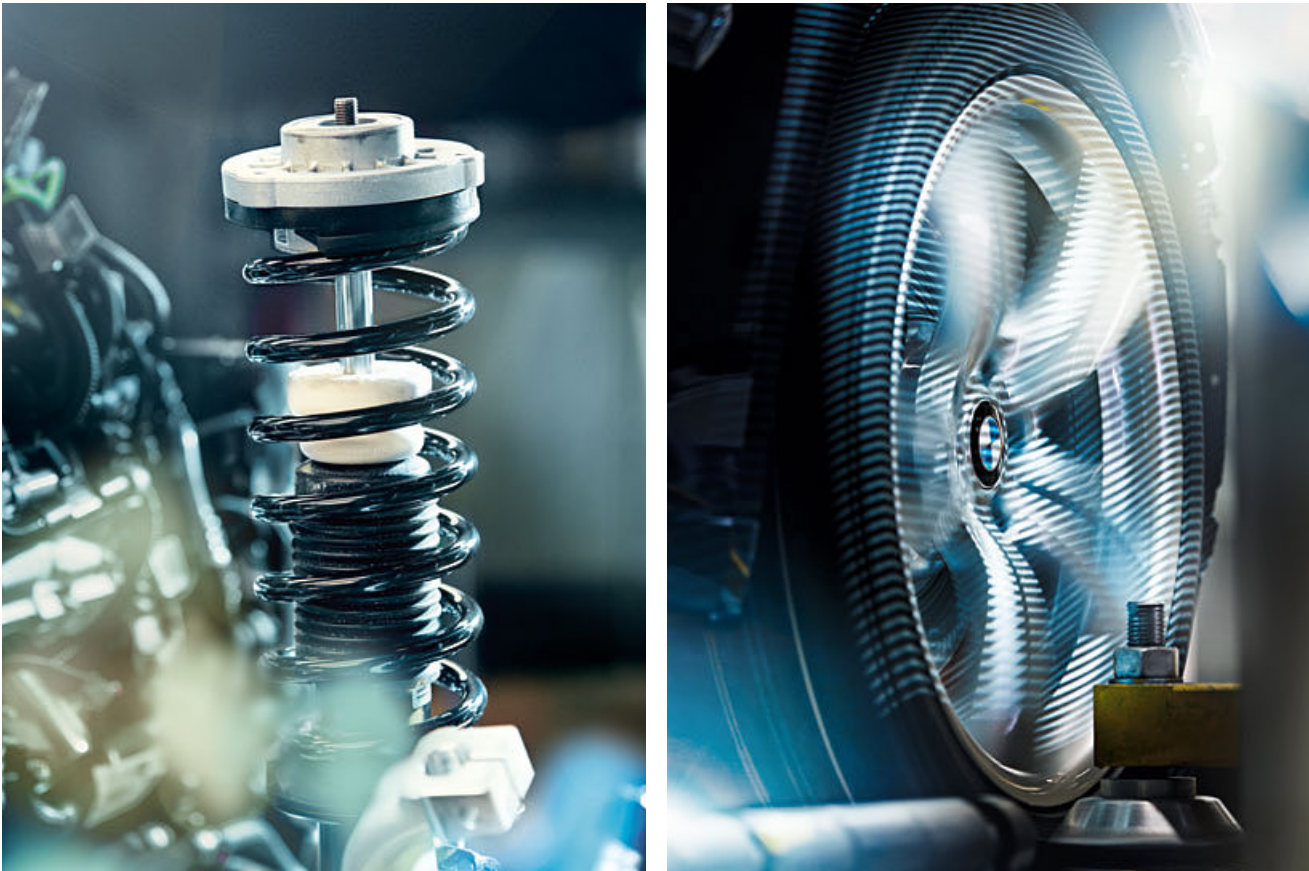

Intelligent headlights. A tailored combination of optional advanced headlight technologies combine to ensure optimum illumination of the road ahead without glaring on-coming traffic or other road users. The independent beam distribution of Adaptive Headlights combine with High-beam Assistant. The intelligent system monitors the road ahead and controls the beam distribution of the headlights to improve visibility during night time and poor weather driving conditions. Whilst Xenon Headlights include bi-xenon and LED technology to enhance the visual styling appeal in all conditions.

Suspension.

Innovative systems for more driving pleasure.

The BMW 4 Series Gran Coupé contains a wide range of innovative technologies to make sure you thoroughly enjoy every journey and get the most out of each drive. Many of these systems are intelligently networked, allowing you to experience maximum driving pleasure in the utmost safety.

THE INTELLIGENT BMW xDRIVE FOUR-WHEEL-DRIVE SYSTEM.

The intelligent BMW xDrive four-wheel-drive system adapts perfectly to even the most challenging road surface conditions, ensuring outstanding traction at all times. With xDrive and Dynamic Stability Control (DSC), the vehicle remains directionally stable and on track. Split second response times allow xDrive to distribute drive power flexibly between the two axles for optimum grip. In this way, xDrive combines the advantages of all-wheel-drive – traction, directional stability and safety – with classic BMW agility.

Standard **Drive Performance Control** lets the driver choose between the standard Comfort mode, ECO PRO mode, geared towards efficiency, and Sport mode, which enables even more dynamic driving. ECO PRO adjusts the characteristics of the accelerator pedal and transmission as well as the heating/air conditioning settings to suit the driving situation.

Optional **Adaptive M Sport suspension** allows electronic control of the shock absorbers to ensure optimised road contact and traction in any situation. It includes dynamic damper control. The driver can choose between comfortable or sporty suspension settings using Drive Performance Control.

Optional **Variable Sport steering** enables direct and agile handling with less steering effort. It reacts according to the steering angle, independently of speed, to improve handling during sporty driving. It also makes parking more comfortable. (Configurable in Sport mode)

Optional **eight-speed Sport automatic transmission** adapts to suit the driver’s individual driving style. Its range is perfect for everything from comfortable cruising through to a very dynamic driving style. In Sport mode, the gearshifts are configured for maximum performance. It is also possible to change gears manually by using the gearshift lever or the steering wheel gearshift paddles.

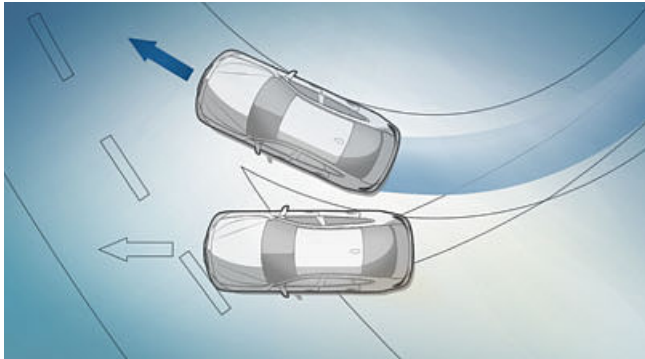

Safety.

Technology at the highest level.

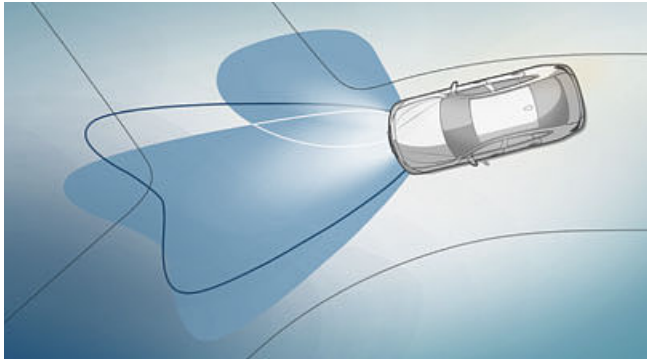

The BMW 4 Series Gran Coupé features cutting-edge technology that can always be relied on. Superior driving characteristics and innovative equipment come as standard, giving the driver exactly the right support for any situation, meaning that you can feel safe in all road conditions.

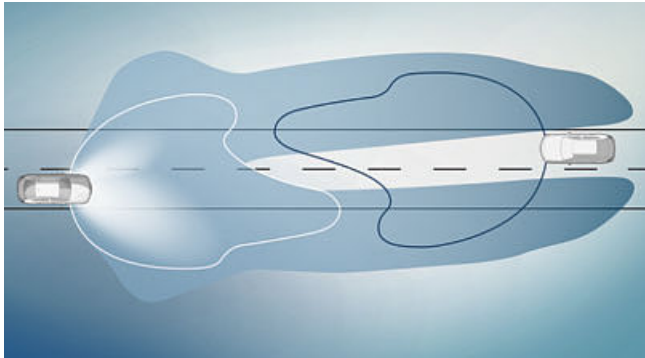

The BMW 4 Series Gran Coupé proves that elegance and safety are a perfect match. Advanced technology makes every drive comfortable and safe. Optional Adaptive Headlights with variable light distribution, for example, respond to your steering wheel movements for a better view of the bend ahead. Optional High-beam Assistant means you can focus on driving – the system will switch to high-beam and low-beam automatically, without dazzling oncoming drivers.

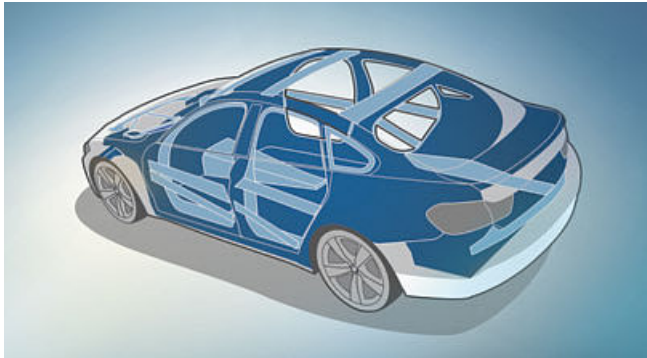

■ **Dynamic Stability Control (DSC)** continually assesses the vehicle's movements and optimises directional stability and traction by intervening in engine and brake management. This makes it much easier to control the vehicle, even on difficult surfaces, actively increasing driving safety.

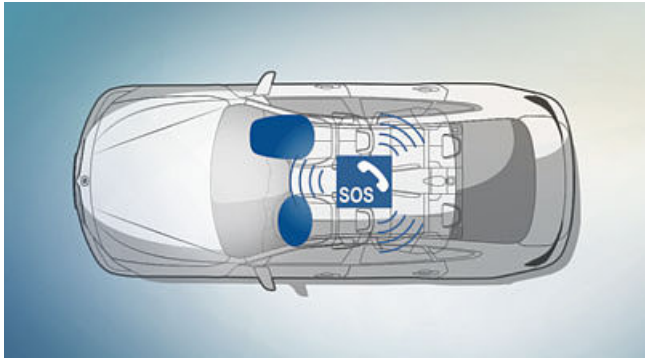

□ **Adaptive Headlights** with variable light control, including High-beam Assistant and cornering lights, help increase driving safety by optimally illuminating the road ahead. Light distribution is automatically adapted to match your speed and the steering angle.

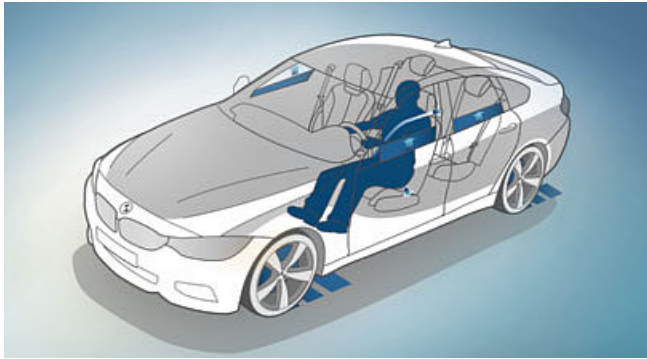

□ **High-beam Assistant**, included with Adaptive LED Headlights and Adaptive Headlights, detects other road-users and selectively excludes them from the high-beam headlight distribution.

■ **Passenger cell:** The system of beams and node connections in the functional body structure, combined with the strategic deployment of high-strength materials, delivers maximum passive safety in the event of front, side or rear crashes.

■ **BMW Emergency Call** automatically establishes a connection with the nearest rescue coordination centre through the BMW call centre whenever needed – without using a mobile phone.

□ **Dynamic Safety** triggers precautionary measures in potentially dangerous situations and brakes the vehicle after an accident has occurred.

INDIVIDUALITY AND ADAPTABILITY.

EQUIPMENT: SE, Sport, Luxury and M Sport models, BMW Individual, Equipment Highlights, Wheels and Tyres and Genuine BMW Accessories.

COLOURS: Exterior, interior and upholstery options.

BMW SERVICE: BMW Service, BMW Financial Services and BMW Experience.

SE.

[01/05] The BMW 4 Series Gran Coupé in optional Glacier Silver with optional 18" light alloy V-spoke style 398 with run-flat tyres. **[02]** The B-pillar in High-gloss Black creates an elegant look. **[03]** The frameless doors emphasise the car's stylish appearance. **[04]** Sport multi-funciton leather steering wheel, Black, three spoke.

[06] 17" light alloy Star-spoke style 393 with run-flat tyres. **[07]** The luggage comparment has a wide-opening tailgate and a capacity ranging from 480 to 1,300 litres. The 40/60 split-folding rear seat bench ensures exceptional everyday versatility. **[08]** Xenon Headlights include headlight wash system, accent lights, automatic headlight beam-throw control, parking lights, side lights and daytime driving lights.

SPORT.

Interior equipment features:

- Air-conditioning and radio control panel in Black, High-gloss
- Ambient lighting - switchable BMW Classic Orange / Cold White LED
- Centre console panel highlight in Chrome
- Door sill finishers with BMW designation, front
- Drive Performance Control (ECO PRO, Comfort, Sport and Sport+ modes)
- Interior trim, Black, High-gloss with Coral Red finisher (extends to front and rear doors)
- Remote control, including integrated key, with inset in Red
- Sport instrument cluster with Red highlight and chrono scale
- Sport multi-function leather steering wheel, three-spoke with Red stitching
- Sport seats, front
- Sun visors with illuminated vanity mirrors and ticket pocket

Exterior equipment features:

- 18" light alloy Double-spoke style 397
- Air Breather, Black, High-gloss
- Exhaust tailpipe – single, left, with Dark Chrome finisher (418d only)
- Exhaust tailpipe – dual, left, with Dark Chrome finisher
- Front air inlet with Black, High-gloss finishe
- Kidney grille, Chrome with extra-wide Black, High-gloss vertical slats
- Rear bumper with Black, High-gloss finishe
- Side air inlets, highlighter in Black/Aluminium

01 □

[01] The BMW 4 Series Gran Coupé Sport in optional Glacier Silver metallic paint. **[02]** The cockpit features a centre console inclined towards the driver, as well as the Sport multi-function leather steering wheel with Red stitching which is standard with Sport models. **[03]** The standard Sport seats with Dakota leather upholstery in Coral Red with Black highlight emphasises the dynamism of the interior. **[04]** 18" light alloy Double-spoke style 397, 8J x 18, with 225/45 R18 tyres. **[05]** 19" light alloy Star-spoke style 407 with mixed tyres, 8J x 19 with 225/40 R19 tyres at the front, 8.5J x 19 with 255/35 R19 tyres at the rear.

LUXURY.

Interior equipment features:

- Air-conditioning and radio control panel in Black, High-gloss
- Ambient lighting - switchable BMW Classic Orange / Cold White LED
- Centre console panel highlight in Chrome
- Dakota leather upholstery with Exclusive stitching
- Door sill finishers with BMW designation, front
- Eight-speed Sport automatic transmission (430d / 430d xDrive / 435d xDrive)
- Interior trim, Finition Anthracite wood with Pearl Chrome finisher (extends to front and rear doors)
- Media package – BMW Professional
- Remote control, including integrated key, with inset in Chrome
- Sport seats, front

Exterior equipment features:

- 18" light alloy Multi-spoke style 416
- Air Breather, Chrome
- Exhaust tailpipe – single, left, with Chrome finisher (418d only)
- Exhaust tailpipe – dual, left, with Chrome finisher
- Exterior trim, Chromeline
- Front air inlet with Chrome finisher
- Kidney grille, Chrome with Chrome vertical slats
- Metallic paint (430d / 430d xDrive / 435d xDrive)
- Rear bumper with Chrome finisher
- Side air inlets, highlighter in Chrome

01 □

[01] The BMW 4 Series Gran Coupé Luxury in optional Jatoba metallic paint. **[02]** The Sport multi-function leather steering wheel feels pleasant to the touch. The optional Burr Walnut wood interior trim with inlay adds another luxurious highlight. **[03]** Sport seats with Dakota leather upholstery in Saddle Brown with Exclusive stitching exudes premium appeal. **[04]** 18" light alloy Multi-spoke style 416, 8J x 18 with 225/45 R18 run-flat tyres. **[05]** 19" light alloy Multi-spoke style 399 with mixed run-flat tyres, 8J x 19 with 225/40 R19 tyres at the front, 8.5J x 19 with 255/35 R19 tyres at the rear.

M SPORT.

Interior equipment features:

- Air conditioning and radio control panel, Black, High-gloss
- Ambient lighting - switchable BMW Classic Orange / Cold White LED
- Door sill finishers with M designation
- Drive Performance Control (ECO PRO, Comfort, Sport and Sport+ modes)
- Eight-speed Sport automatic transmission (430d / 430d xDrive / 435d xDrive)
- Headlining, Anthracite
- Interior trim, Aluminium Hexagon with Estoril Blue finisher
- M gearshift lever in Nappa leather (manual transmission)
- M Sport instrument cluster
- M Sport multi-function leather steering wheel, three-spoke
- Media package – BMW Professional
- Remote control, including integrated key, with Blue inset
- Sports seats, front

Exterior equipment features:

- 18" M light alloy Double-spoke style 400 M
- Air Breather, Black, High-gloss
- Exhaust tailpipe – single, left, with Chrome finisher (418d only)
- Exhaust tailpipe – dual, left, with Chrome finisher
- Exhaust tailpipe – twin, with Chrome finisher (440i only)
- Exterior trim, High-gloss Shadowline
- Kidney grille, Chrome with extra-wide Black, High-gloss vertical slats
- M aerodynamic bodystyling
- M designation
- M Sport suspension (excluding xDrive models)
- Metallic paint (440i / 430d / 430d xDrive / 435d xDrive)

02 □

[02] The BMW 4 Series Gran Coupé M Sport in optional Estoril Blue metallic paintwork with optional 19" M light alloy Double-spoke style 442 M. [03] 18" light alloy M Star-spoke style 400 M with mixed run-flat tyres, 8J x 18 with 225/45 R18 tyres at the front, 8.5J x 18 with 255/40 R18 tyres at the rear. [04] The Sport seats in Black Dakota leather and the Aluminium Hexagon interior trim with Estoril Blue finisher create a powerful look. [05] 19" light alloy M Star-spoke style 403 M with mixed run-flat tyres, 8J x 19 with 225/40 R19 tyres at the front, 8.5J x 19 with 255/35 R19 tyres at the rear. [06] 19" M light alloy Double-spoke style 442 M with mixed run-flat tyres, 8J x 19 with 225/40 tyres at the front, 8.5J x 19 with 255/35 tyres at the rear. [07] 18" light alloy V-spoke style 398, Black with mixed tyres, 8J x 18 with 225/45 R18 tyres at the front, 8.5J x 18 with 255/40 R18 tyres at the rear.

BMW Individual

The expression of personality.

BMW Individual Moonstone metallic paintwork.¹

The BMW Individual 4 Series Gran Coupé. More room for your ideas.

□ Make your highest standards a reality: inspired by the light of the moon, the BMW Individual Moonstone metallic paintwork bathes the BMW 4 Series Gran Coupé in glimmering tones of silver. Depending on the angle of light hitting this striking paintwork, the finest pigmentation shimmers from silver to golden yellow through to a greyish blue. This is, indeed, a unique interplay of colours – and it gives the exterior beguiling visual depth.

More room for free expression: the BMW Individual Extended Merino leather in Nutmeg clothes the generously proportioned interior in pure luxury. The velvety soft, pristine surfaces make the high quality tangible, while the delicately worked piping and stitching reveal both outstanding craftsmanship and a passion for detail. The BMW Individual Ash Grain White wood interior trim adds a further note of sophistication and, together with the leather-covered instrument panel, perfectly rounds off the exclusive interior ambience.

BMW Individual Ash Grain White wood interior trim.

BMW Individual Extended Merino leather in Nutmeg with Ash Grain White wood interior trim and instrument panel finished in leather.

EXPERIENCE BMW INDIVIDUAL INTERACTIVE WITH THE BMW INDIVIDUAL iPad APP.

□ Optional equipment

¹ Moonstone available as a special order. Please consult your BMW Retailer for more information.

EQUIPMENT HIGHLIGHTS.

[01] The Air Breather controls the airflow along the front wheels, reducing drag, fuel consumption and CO₂ emissions. [02] Adaptive LED Headlights, for both low and high beam, offer greater resemblance to daylight. Includes High-beam Assistant and cornering lights. [03] Active Cruise Control with Stop&Go function, automatic adjustment of the distance between the car and the vehicle ahead using radar sensors in the front bumper. [04] Exhaust tailpipes, dual, left with Chrome finisher (standard on 420i/d/420i/d xDrive/430i/d/430d xDrive/435d xDrive). [05] The electric glass sunroof creates a pleasant climate. [06] High-gloss Shadowline exterior trim includes window trim strips, B-pillar, exterior mirror frame, mirror base and Air Breather (standard for M Sport models).

[07] M Sport multi-function leather steering wheel, three-spoke, features more pronounced thumb rests and a thicker rim for a better grip (M Sport models). [08] Sport seats for driver and front passenger: optimal support thanks to adjustable backrest width and angle, thigh support, seat height and lengthways position. [09] BMW Individual Merino leather steering wheel. [10] Drive Performance Control lets the driver choose between standard Comfort mode, ECO PRO mode, geared towards efficiency, Sport mode and Sport+ mode¹. [11] iDrive Touch Controller, available with optional BMW Professional Navigation system, allows intuitive control via the touch sensitive pad. [12] Two cupholders at the front and back, as well as bottle holders at the front provide a variety of storage options. [13] Eight-speed automatic transmission with Steptronic enhances shift comfort and ride comfort with its closer spacing of gear ratios, which minimises changes in engine speed.

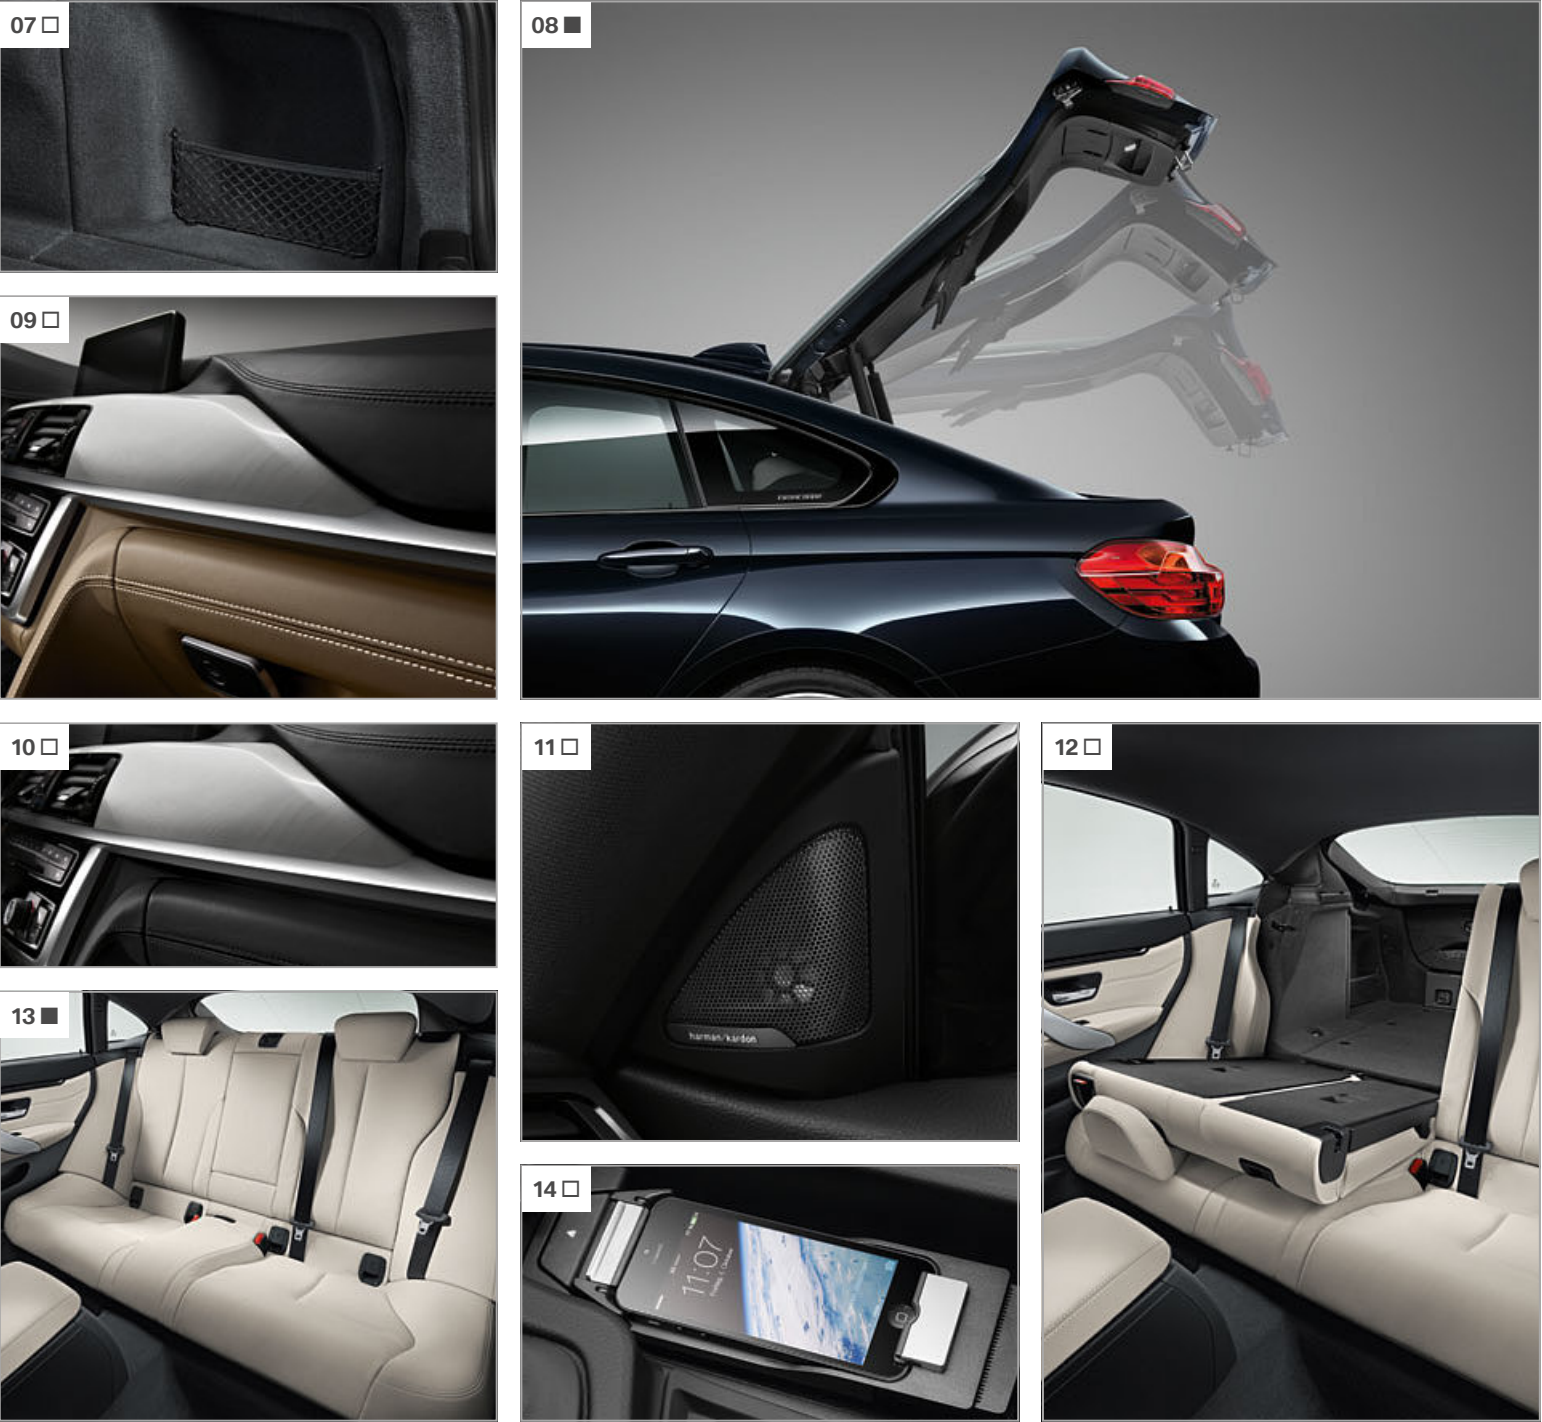

¹ SPORT+ mode only available with eight-speed Steptronic Sport transmission, Variable Sport Steering, Adaptive M Suspension, Sport or M Sport models.

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

[01] Head-up Display¹ projects relevant driving information directly into the driver's line of vision. **[02]** BMW Professional Multimedia Navigation system includes 8.8" LCD colour display, 20GB of memory and three-dimensional map presentation. **[03]** Real Time Traffic Information collects current traffic information on motorways, country roads and in urban areas. It relays this information as it happens. **[04]** Park Assist makes parallel parking easier. It steers while the driver controls with the accelerator and brake. **[05]** Reversing Assist camera shows the area behind the car on the Control Display. Interactive track lines provide assistance when manoeuvring or parking. **[06]** Automatic air conditioning with two-zone control including air recirculation and microfilter ensures a pleasant interior temperature at all times.

[07] Extended storage includes folding compartment, stowage net, two 12V sockets, multi-function hooks in the luggage compartment, tensioning strap, floor net and storage tray. **[08]** The automatic tailgate enables convenient loading, the open height is freely adjustable. **[09]** The upper section of the BMW Individual instrument panel is finished with Walknappa leather in matching interior colour and the lower section features BMW Individual Extended Merino leather in the upholstery colour.² **[10]** BMW Individual instrument panel with leather upholstery, with top and bottom sections covered in Black Walknappa leather.³ **[11]** Loudspeaker system – harman/kardon with 600W digital amplifier, 9 channels and 16 speakers including centre speaker and surround mode. **[12]** The split-folding rear seat (40:20:40 split) includes centre armrest with integrated storage compartment and two cupholders. **[13]** The rear seat design makes driving more comfortable for the rear passengers. **[14]** Enhanced Bluetooth telephone preparation with USB audio interface and Voice Control allows a mobile phone to be connected to the vehicle via Bluetooth and used with a hands-free kit.⁴

¹ Image also shows optional Speed-limit information.
² Contrast stitching in upper and lower section of instrument panel. Only in conjunction with BMW Individual Extended Merino leather.
³ Only in conjunction with Dakota leather, excluding Venetian Beige.

THE BMW SERVICE CONCEPT:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. **Condition Based Service** tracks service fluids and parts subject to wear, and where appropriate indicates required service stops on the display. In combination with **BMW TeleServices**, the vehicle data collected by Condition Based Service are automatically transmitted to BMW. Your preferred **BMW Service Retailer**

BMW SERVICE INCLUSIVE.

BMW Service Inclusive:

Wouldn't it be good to know your comprehensive servicing costs in advance? Well, that's exactly what BMW Service Inclusive¹ provides and for a low one-off payment.

BMW Service Inclusive¹ lasts for 5 years or 50,000 miles (whichever occurs first) and covers all your vehicle's comprehensive servicing requirements. Alternatively you can choose BMW Service Inclusive Plus¹ which in addition to servicing also covers maintenance items such as brake pads, brake discs and windscreen wipers. And whenever

servicing and maintenance work is carried out on your BMW, you can be sure that it will only be done by fully qualified BMW Service Approved Technicians at one of over 150 BMW Service Authorised Workshops around the country. Furthermore, only Genuine BMW Parts are used – each covered by a two year warranty. BMW Service Inclusive and Service Inclusive Plus are transferable to subsequent owners within the time and mileage period, which can enhance the resale value of your car.²

BMW EMERGENCY SERVICE.

BMW Emergency Service. BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency.

This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK, Republic of Ireland and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

THE BMW EXPERIENCE.

BMW News: To ensure you're one of the first to hear the latest BMW news and developments, BMW UK offer an email programme. Sign-up at: www.bmw.co.uk/newsletter

BMW World, an iconic building in the Munich skyline. The BMW World is a true brand experience where it's possible to marvel at the historic BMWs in the museum, learn about our engineers' newest innovations and take a tour of the plant to experience with your own eyes the cutting-edge and exacting methods used to create a BMW.

BMW Magazine: Every new BMW customer receives a complimentary subscription to BMW Magazine. This publication features all the latest news and developments from BMW, together with a variety of driving and lifestyle features.

can access the vehicle data. They will contact you when necessary to arrange a service appointment where the required repairs can be performed, using **Genuine BMW Parts**, so your driving pleasure can continue indefinitely. Worldwide, you can call on more than **3,300 Service Authorised Workshops** in more than **150 countries**.

BMW CONNECTED DRIVE SERVICES.

BMW ConnectedDrive Services.

A function using the built-in BMW SIM card to provide telematic and online services that are fully integrated into your BMW vehicle. All services require connection to a UK mobile network. Some services are available in other European countries. The range of ConnectedDrive Services that are available depends on the specification of the vehicle. The service duration varies depending on the ConnectedDrive Service.

For further information on BMW ConnectedDrive Services and terms and conditions please visit www.bmw.co.uk/connecteddrive-information

BMW FINANCIAL SERVICES.

BMW Financial Services: BMW Financial Services offers a range of finance and insurance solutions designed to help you drive the BMW of your choice. All our products offer you the flexibility to customise your finance, making driving any BMW a reality. After all, who knows more about financing your BMW than BMW.

Finance is provided by BMW Financial Services (Ireland) Limited, Swift Square, Santry Demesne, Santry, D09 R802, Dublin, Ireland.

SHAPING THE FUTURE – RESPONSIBLY.

In 2015, the BMW Group was once again listed in the Dow Jones Sustainability World and Europe Indices and thus ranked one of the most sustainable automotive companies worldwide. The development of efficient vehicle concepts and eco-friendly production processes, up to and including recycling, is an integral part of our engineering philosophy. Thanks to BMW EfficientDynamics, the CO₂ emissions of our European new-vehicle fleet have dropped by more than 30% since 1995. Over the period from 2006 to 2020 we are also aiming to achieve a 45% reduction in the amount of resources – such as water and energy – that our manufacturing operations consume. Since 2007, production in our engine plant in Steyr, Austria, has generated zero waste water. And of course each of our vehicles is designed for easy and economical recycling after its long running life. Please contact your BMW Centre on all matters regarding your end-of-life vehicle. For further information please visit our website.
